Selectmen's Meeting

BOARD OF SELECTMEN UNCHANGED

Selectman James Huntoon, who as third year man was in turn to be chairman of the Board of Selectmen, declined that position and offered a motion that the organization remain as it was. The motion passed. Mr. Huntoon said that Board members have on-going responsibilities and interest which now means sitting in on various boards and activities. He said that these duties have been effective and he would like to see a continuity in that effect. As chairman, he stated, he would not have sufficient time to work on the schools and sit in on their meetings as he would like to continue to do.

SIGN POLICE CONTRACT

Selectman James Huntoon announced that a 3-year contract had been signed with the police union after 7 weeks of negotiation. Huntoon was the Board of Selectmen's negotiator in the talks. The main features of the pact were explained as follows: The first year the police would not receive any increase in wages and in return the town would shorten the time required to reach the maximum pay from 8 steps to 6 steps.

The second year the police would receive a 3% raise; the third year they would receive a 4% increase. The range would be from $14,000 to $18,000 for patrolmen. In addition the contract provides for a career incentive program which would increase a policeman's pay by 10% for those holding an associate degree or equivalent as long as one semester course is taken each year afterwards. If no semester course is taken the policeman would lose 1% for each year.

Also, pay for credits towards an associate degree up to a total 10% for the 60 credit hours required for such a degree. Huntoon said that if the town cannot pay the wage increases because of Proposition 2½ then any wage increases in the second and third year would be renegotiated. He

NOTICE OF ROAD FAULT

Selectmen were notified by certified mail from Attorney Roland S. Beitman representing the family of Susan Johansen Silva, who was fatally injured on March 11th in an automobile accident which occurred at approximately 8:30 p.m., that the town is put on notice, by reason of a defect or want of repair in the roadway caused by reduction of the number of travel lanes from 4 to 2 lanes. sachusetts General Laws. The letter contends that the Town of Mattapoisett by the exercise of proper care and diligence might have prevented the accident.

The accident occurred in the same approximate location as the May 1982 collision that Selectmen have been using as an example in the effort by the town to have Route 6 returned to 4 lanes. Selectmen of both Mattapoisett and Marion have mounted a joint and continuous effort to have the Route 6 state highway road lines changed ever since the road resurfacing when by federal mandate they were altered to 2 travel lanes with a breakdown lane on either side.

Town Counsel Donald Fleming informed Selectmen by letter that he had notified the town's insurance carrier of the claim and is in the process of obtaining copies of the police records of the accident.

Selectman James Huntoon said that he thought that Attorney Beitman's letter was to protect the right of the family - that you have to inform the involved parties of an intent within 30 days or lose the right to seek damages under the state law.

NEW AGENCY WANTS TAKEOVER OF FUEL ASSISTANCE PROGRAM

Emile DeRamos, energy coordinator of P.A.C.E. (People Acting in Community Endeavors), 166 William Street, New Bedford, told Selectmen that the newly formed PACE is seeking to administer the 2.9 million dollars in federal grants for this area's fuel assistance program. Ms. DeRamos who had been with this organization about 2 weeks did not have the names of the board of directors but said that she would obtain and forward them to the Selectmen. She said that PACE is seeking the Fuel Assistance Program now administered by Citizens for Citizens, a Fall River organization, because they do not want to continue in the New Bedford area.

The Selectmen told Ms. DeRamos that the main complaints that they note are late payments which cause the elderly distress because the tardy bills accumulate 18% interest if not paid within 30 days. Selectman Frank Suzan said that 45 to 60 days is the average payment period. Ms. DeRamos said that the E.O.C.D. holds up the money but that she plans a meeting with area fuel

She said that she hopes to complete these area meetings rapidly because the deadline for the funding proposals is May 23, 1983. This agency seeks to serve the area of New Bedford, Acushnet, Dartmouth, Fairhaven, Mattapoisett, Marion and Rochester. The $2,900,000 would provide assistance for 4,700 households with an estimated 6% administration fee.

Rochester Election

Rochester voters overwhelmingly voted against an override of Proposition 2½ for $160,000.00 (for the elementary and regional schools) in last Wednesday's annual Town Election. The vote was 755 to 257.

David Hughes won a seat on the Board of Selectmen. Hughes, who lost a close re-election bid last year by 6 votes, beat his opponent, Edward Ashley 670 to 367.

In the Rochester School Committee race Sylvia Labonte defeated her opponent Robert MacFarland 539 to 430. George Church was re-elected Assessor topping Roger Pothier 679 to 338.

A one-year term of Library Trustee was won by Jana Cavanaugh with 618 votes to her opponent Cynthia Chamberlain's 350 votes. The three-year term for Library Trustee was won by Dorothy MacGregor with 733 votes. Her opponent, Catherine Roberts, received 515.

Running unopposed were: Harry Brown, Moderator, 851; Kirby Gilmore, Board of Health, 878; James Gurney, Planning Board, 871; George LeConte, Highway Surveyor, 877; Patricia Ryan, Old Rochester Regional School Committee, 835; George Church, Cemetery Corporation, 883; Donald F. ELECTION NEWS

There were two elections in the Town of Rochester last week: the town election and the one we are talking about in Hardyville, at Rochester Memorial School.

First, to be allowed in the election you had to be nine years old or over. You, also, had to have been a resident in Hardyville for six months. If you met both requirements, you then signed the "Registration and Voting List" with your legal signature and address.

Second, after choosing an office you were interested in, each member of the town "took out" nomination papers. The citizens of Hardyville had to sign their legal signatures on your nomination paper so that you could become a candidate. It took a lot of time but all of us finally became official candidates.

Third, we campaigned! You have to make a poster with your legal name and the name of the office for which you were running. Everybody made a poster. They were all different. Some had pictures of the candidates on their posters.

We also wrote a speech to deliver at our "town candidates' afternoon". Most everyone got up and read their speech. They received applause.

Finally, election day came. You were given a ballot from the teller after you told him your name. Our teacher counted the votes on the ballots. Here are the results:

Selectpersons: Jason Cordeiro, Jennifer Couto, Ted Pottel; Town Clerk: Bethany MacFarland; School Committee: Andrew MacGregor, Ethan Pond; Board of Health: Laura Pusateri, Jill Rousseau; Librarian: Lorrie Medeiros; Moderator: Daniel Couto; Police Chief: Dean Adam Kirby; Fire Chief: Mark

Dollars for Scholars

On March 21st the MMR Tri-Town Chapter of Dollars for Scholars, which serves the towns of Marion, Mattapoisett and Rochester, held its first public meeting. The evening consisted of entertainment, information, refreshments and fun. The entertainment was provided by the Old Rochester Regional High School Band; rock group, Camouflage; the singing duo known as The Younger Brothers; excerpts from the Old Rochester production of "The Boyfriend"; and wailing harmonica of John Zell. The highlight of the evening was the appearance of Bob Lobel, the sports anchorman for WBZ-TV in Boston. Mr. Lobel's quick wit, ease and sincerity were well received by the audience of approximately 350.

Refreshments were provided by the parent organization from all the schools in the three towns. Raffle prizes donated by area businesses were awarded throughout the evening.

Dr. Irving Fradkin, founder of CSFA, presented a brief historical overview of the Dollars for Scholars Program. Dr. Fradkin also presented the official charter for the new chapter to Board President, John LaFreniere.

During the evening various donations were announced. These included three me-

The last donation included a cash gift and raffle prizes the students solicited from area businesses. The total amount in scholarship monies was $3,086. In addition, Ted Pratt, Campaign Chairman, announced that a matching grant of $5000 would be given to MMR upon raising the organization's first $5000. The MMR Chapter also announced a special scholarship that will be awarded this spring in the name of CSFA representative, Al Gennetti, in appreciation for his help and support in organizing the tri-town chapter.

The MMR Tri-Town Chapter was organized in January 1983 by Old Rochester Assistant Principal Edward Jawor and community member Donna Wileczka, currently serving on the board. The Kick-Off Night was planned and organized by Board members Ken Pease, Dr. William Muldoon, Donna Wileczka, Barbara Meehan and Becky Tinkham with the help of innumerable students and community members.

MMR Tri-Town Dollars for Scholars Board of Trustees will hold its next meeting on Thursday, April 28th, at 7:30 p.m. in the Old Rochester Regional High School Library.

Want to save money on desserts your family will love? Keep cocoa pudding mix on hand

Just one cup of unsweetened cocoa is enough to make twelve servings of chocolate pudding...and that's real economy, especially if you have a whole family of chocoholics!

To make the mix, simply combine one cup Hershey's Cocoa, two cups sugar and two-thirds cup cornstarch until well blended. Store this mix in a covered jar. When you need a hurry-up dessert, for each serving use one-fourth cup of the powder, two teaspoons butter or margarine and one-half cup milk. Combine the ingredients in a saucepan, then stir constantly over low heat until the pudding thickens and bubbles. Pour into serving dishes, cool and chill until ready to serve. Add a dollop of whipped topping, if desired.

Torrie Wrightington Fund

On December 30th ten days after Torrie Wrightington had been injured in a school bus accident a small group of people got together to decide what we could do to help.

We all couldn't be at the hospital giving our moral support to his family but felt we had to do something no matter how small.

We decided to start a little fund known as the Torrie Wrightington Family Fund to help them through this very difficult time with any bills that might arise, whether it be medical, household or expenses incurred by his parents so they could stay at the hospital in Boston with him.

When we developed this idea we didn't set any goals to accomplish, only that we try to help and show our love and concern.

We received close to 200 donations by mail and many more donations through cans in stores and fund-raising efforts from schools and businesses in the area.

Well, there is a happy ending to this story; the fund has now grown to over $8,000.00 and Torrie is home and getting

Letters to The Editor

I have written to you previously on this subject, but feel that I should write again because of the increasing danger to the future freedom of America and the Free World.

It does not appear from either a commonsense standpoint, or Bible prophesy, that there is a great likelihood of a nuclear exchange between Russia and the United States. There is a strong likeli-

hood that if Russia is allowed to further increase its nuclear capability while we succumb to the naive non-nuclear hysteria presently rampant, we will be blackmailed into allowing our country and the free world to be gobbled up! If we forget practicality and fall prey to wishful thinking and emotionalism, it can signal the end of human freedom as we have been privileged to know it, and usher in another dark age of the human spirit.

Under former President Carter and Secretary Robert MacNamara, in an effort to save money and to also set an example to Russia by unilaterally reducing our military capability, we now find ourselves, and our Allies, in a precarious position; probably the most dangerous in our country's history.

Because of this reduced military capability we recently found ourselves to be so militarily impotent that we were forced to accept the greatest national humiliation a free people ever had to swallow from a small, weak, fanatical, divided people - Iran.

By contrast, in the early years of the last century, young and weak as we were, we were still able to go into the Mediterranean Sea and punish Algiers and Tripoli for interfering with our commerce and demanding the payment of tribute if they would desist! Thomas Jefferson, who certainly wasn't a warmonger, took action. With the clarion cry of "Millions for Defense, but not One Cent for Tribute", President Jefferson promptly settled the matter, justly, and with honor to America.

Early in this century a great American president, Theodore Roosevelt, advised his fellow countrymen to "talk softly but carry a big stick". History seems to prove that this advice is effective, whether we live in an age of tomahawks, tanks, or atomic power. World history shows, and commonsense tells us, that you can only negotiate with totalitarian governments from a position of strength, never from weakness.

As long as ruthless dictators rise on the world scene, generation after generation of freedom loving peoples must maintain their defenses generation after generation. The cost is great, but the alternative is disaster.

In all sincerity,

this withholding will prove to be burdensome to savers and their depository institutions, and will fail to raise additional revenues sufficient to justify itself. For this reason, I voted against the 1982 Tax Act which mandated interest and dividend income withholding and I have cosponsored legislation to repeal it.

Unfortunately, the coupon campaigns organized by many of our local savings institutions have very nearly overwhelmed my office in our attempt to respond individually to everyone who has sent us a coupon. Accordingly, I would like to take this opportunity to assure area residents that, while I may not be able to confirm to them personally my opposition to tax withholding on interest and dividend income, I do, indeed, intend to continue to do everything I can to see this new requirement repealed.

Moreover, I would like to encourage persons -- especially the elderly -- who may qualify for exemption from this requirement to call my local office to request a Fact Sheet which I hope will answer some of the questions they may have about withholding on their interest and dividend income.

Sincerely,
Gerry E. Studds

"God's Prison Gang"

GIVES "ANSWER" TO CRIME

"God's Prison Gang", a newly released film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang, and two other notorious criminals who have become Christians, will be shown at Long Plain Baptist Church, 1180 North Main Street, Acushnet on Sunday, April 24th at 6:00 - 7:30 p.m.

The film, shot behind the walls of New York's Attica prison, is hosted by Art Linkletter. It tells the story of how the work of International Prison Ministry is accomplishing what more guards, higher prison walls and greater financial expenditures have failed to do -- keep released inmages from returning to lives of crime.

Telling their stories in the 44-minute film are George Meyer, Al Capone's favorite driver; Floyd Hamilton (Public Enemy No. 1), the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California; and Ted Jefferson, convicted of crimes from drugs and robbery to murder.

Also featured is "Chaplain Ray", whose Dallas-based International Prison Ministry has changed the lives of thousands of inmates over the past 18 years.

The Reverend Arthur B. Stratton, pastor of Long Plain Baptist Church, said he hopes all citizens concerned about the problem of rising crime will attend the free screening of the film.

NONQUIT: AN EARLY AMERICAN CAMPSITE

The origin and early development of Nonquit, the exclusive summer enclave in South Dartmouth, will be told at the April 21st meeting of the Westport Historical Society. The program begins at 8 p.m.

The speaker, Gil Fernandez, of Horseneck Road, South Dartmouth, is a board member of the Dartmouth Historical Commisssion as well as its chief photographer. His presentation outlines the beginnings of the beach colony which was developed shortly after the Civil War by a group of summer camping enthusiasts. The talk will be illustrated by black and white slides made from photographs taken on the site in the 1870's. Scenes of "Old Padanaram" and environs will be projected. Most of the pictures are from the photographic library of the Dartmouth Historical Commission.

Former editor and teacher with many years involvement in photography, Mr. Fernandez is perhaps best known to Westporters for his work in helping the local Osprey population to survive in southeastern Massachusetts. With his wife Jo he has presented numerous slide lectures about their Osprey management to audiences throughout the northeast. Currently he is photographing

"WHERE HAVE ALL THE HERRING GONE?"

Members of Miss Aiken's fourth grade class peer into the Mattapoisett River hoping to see the herring swimming upstream. Unfortunately, only a few fish were spotted struggling against the unusually deep and strong current caused by the recent heavy rainfall. Photo by Jean Conlon

According to Clyde Mitchell, Director of the Small Business Development Center, business and professional people spend large amounts of money each year promoting their product and/or services. Here is an opportunity for them to learn the strong and weak points inherent in each of the advertising medias and make an informed determination on what media or combination of medias can best tell their story in a cost effective, efficient manner. Advertisers are spending big bucks and should make certain they are receiving a maximum return in both retained and new business.

For additional information and to register for this event, call the Small Business Development Center at 673-9783.
